Christy Fraser Memorial Invitational (CFMI)

The Christy Fraser Memorial Invitational (CFMI) is a very special yearly gymnastics competition event hosted by LGF in honour of Christy Fraser, an avid gymnast who tragically passed away in 1992 at the young age of 12. Christy's mother, Lory Fraser, continues to volunteer at LGF, including helping to put on the CFMI each year. The CFMI not only fundraises for LGF, but helps keep the memory of Christy alive.

This year CFMI is on February 15th - 17th, 2019, and we will be welcoming over 700 gymnasts from more than 20 different gymnastics training centers across BC and Alberta to the Langley Events Centre. These athletes will be accompanied by thousands of friends, family, and community members as spectators. We recognize your business in the community and are inviting you to be a vendor at this event. This high-profile event will expose your business to new customers, and the money raised from the event goes directly towards supporting our athletes to achieve their full potential in the sport of gymnastics by providing quality programming and safe equipment!
