

## March 23<sup>rd</sup>, 2020: COVID-19 Update

Dear Members,

Due to the ongoing, ever-evolving circumstances surrounding the coronavirus (COVID-19), Langley Gymnastics Foundation will be closed until further notice, effective Tuesday March 17<sup>th</sup>. Our top priority is the health and safety of all of our athletes, parents, and staff.

**All programs are suspended until further notice**, and your monthly payments will NOT be processed while programs are suspended. Once we return, we will deduct the total amount of cancelled classes from your payment plan. If you have pre-paid for your program, we will be refunding you for the total amount of classes cancelled, when we return. There is no need to withdraw from your program, and having athletes remain registered in their classes will help us avoid confusion and save administrative time upon our return.

**Field Trips & Birthday Parties:** All Field Trips have been cancelled. April Birthday Parties have been cancelled, and all other booked parties will be notified of their status at least 2 weeks before their party date. Once we return, we will reach out to those who had booked Field Trips and Birthday Parties to reschedule.

**Spring Break Camps:** you have received refunds for the cancelled camps

**Competitive, Interclub, Pre-Interclub, Super Tykes, and Super Heroes:** a credit will be applied to your account for the training that was cancelled over Spring Break

**Competitions:** As the future statuses of competitions are unknown, registration for competitions is closed until further notice. See below for a list of competition statuses:
