We will be starting this year with a gradual entry please see the September Newsletter/Calendar for more information regarding class drop off/pick up times during our gradual entry.

Ms. Kathy & Mrs. Rebecca

As part of our Covid safe plan we will be encouraging social distancing but for the most part we will be focusing on class containment. We are a play based program and will still provide opportunities for the children to grow; socially, emotionally, cognitively, physically, and creatively.

We will still strive to maintain our regular programming with the exception of some modifications;

Monthly Themes – We will continue to follow our planned monthly themes to best of our ability provided the resources available.

Show and Share – Each child will have the chance to bring a toy from home to “share” with their friends. This toy will be brought to school in their ziplock bag (our communication bag - that’s provided from us). The child will have the opportunity to talk to the class about where they got it from? Why they like it? What they do with it? Etc. Instead of sharing the toy physically it will be put back in the bag.

Seasonal Parties – We will continue to have seasonal parties (Halloween, Christmas ect.) We won’t have a shared snack and accompaniment from the families.

Birthday Parties – We will continue to celebrate birthdays with giving the child a birthday hat, the class singing to them, and choosing a small toy from the birthday box. We won’t celebrate with special birthday treats.

Sensory Activities – With positive studies provided from the Center For Disease Control we will continue to explore sensory activities such as; sand, water, and playdough. Each class will contain their own bins for use.

Gymnastics – Due to Covid and the restrictions from the Provincial Health Government will not participate in gymnastics. Please refer to our Active Play Plan.

Field Trips – Due to Covid and the restrictions from the Provincial Health Government we won’t be participating in fieldtrips.

Communication – We will continue to maintain several means of communication. The best way to communicate with us is by; email at tumblekids@langleygymnastics.ca or calling us at 604-455-8848 or send us a note in their communication bag (Ziplock Bag). ANY URGENT INFORMATION THAT WE NEED TO GET TO YOU WILL BE VIA EMAIL/PHONE CALL, PLEASE MAKE SURE YOUR EMAIL/PHONE NUMBER IS UP TO DATE THROUGH OUT THE YEAR. If you have questions for the office you can email them at info@langleygymnastics.ca or call them at 604-455-8845.

Drop Off/Pick Up – As part of our new plan, drop off/pick up will be located at the bottom floor outside door. It is very important that everyone is on time at drop off/pick up as the door will be locked after 9:05am and 12:35pm. If you are going to be late please call us. After class we need to clean/prepare for the next class please be mindful of your pick up time.

FUN – WE WILL CONTINUE TO HAVE FUN AND STAY SAFE! 😊
